GIOVANNI SOLLIMA

..

Giovanni Sollima (born 24 October 1962 in Palermo, Sicily, Italy) is an Italian composer and cellist. He was born into a family of musicians and studied cello with his father, Eliodoro Sollima, at the Conservatorio di Palermo, where he graduated with highest honors. He later studied with Antonio Janigro and Milko Kelemen at the Musikhochschule Stuttgart and at the Universität Mozarteum Salzburg.

As a composer, Sollima's influences are wide ranging, taking in jazz and rock, as well as various ethnic traditions from the Mediterranean area. Sollima's music is influenced by minimalism, with his compositions often featuring modal melodies and repetitive structures. Because his works are characterized by a more diverse and eclectic approach to material than the early American minimalist composers, the American critic Kyle Gann has called Sollima a 'postminimalist composer'.

Sollima has collaborated with the American poet and musician Patti Smith, appearing on her records and performing with her in concert. He also collaborates with the Silk Road Project.

Please do see other original works for many different instruments and groupings, and also special transcriptions for cellists, and cellists with other instruments on the [Johnstone-Music](#) web page

Also both general musical and cello based articles, directories of famous historical cellists, and many other items of interest

DOWNLOADS - Many downloads on [Johnstone-Music](#) are now available, for those that are interested, at a *symbolic* payment, which is to help cover the costs of this web site. Some scores/parts are presented in musical edition programmes but generally they are found here in a most “clear” hand-written manuscript copy (the majority to almost a professional copyist standard) and transferred to a PDF file.

As far as [Johnstone-Music](#) is concerned you are welcome to publicly perform or record any work or piece found in the web; however you DO need to make mention of the name of the composer and the arranger on any printed information (hand programmes, disc covers etc.).

FREE PUBLICITY - If you care to inform us of any public performance (no matter how formal or informal the event is), recording or other uses of the original music or arrangements of David Johnstone or of other musical colleagues included in this web, we are happy to give your event free publicity on the [Johnstone-Music](#) web.

To take advantage of this, try to write to us three weeks or more in advance with any information. Last-minute entries are certainly better than not writing at all - however, understandably, once we have past the calendar month of the event it is not usually possible to add old items to the calendar. It is very interesting for the promoters of [Johnstone-Music](#) to have knowledge of your activity - and so in return for your information you will be entitled to a free gift of a work/s for every diary addition you tell us about. To find out more about this, please visit the “[Cello Club](#)” section in the web!
