CELLISTS' CORNER

DAVID FINCKEL

Birth: 1951 - New Jersey, USA

DAVID FINCKEL appears in over 100 concerts each season in recital with pianist Wu Han across the U.S. and around the world. Activities as a concerto soloist include performances and recordings of the Dvořák Concerto, John Harbison's Concerto, and Augusta Read Thomas's Ritual Incantations. Recent seasons have featured performances of the Dvořák Concerto with the Symphony in C orchestra, the Britten Cello Symphony at the Aspen Music Festival, and the Haydn C major concerto with the Louisiana Philharmonic. Finckel and Wu Han, are artistic directors of the Chamber Music Society of Lincoln Center; founders and artistic directors of Music@Menlo (a chamber music festival and institute in Silicon Valley), artistic directors of Chamber Music Today (an annual festival held in Seoul, Korea). Together they were named Musical America's 2012 musicians of the year.

In 1997 Finckel and Wu Han launched ArtistLed, classical music's first musician-directed and internet-based recording company. He is also the creator of other classical music media projects including the Music@Menlo LIVE label, the CMS Archive label, and is the host and instructor of Cello Talks—a series of 100 cello lessons available free on the web (cellotalks.com). For many years he taught alongside the late Isaac Stern at Carnegie Hall and the Jerusalem Music Center. In 2013, Finckel and Wu Han launched a chamber music studio at Aspen Music Festival. Under the auspices of the Chamber Music Society of Lincoln Center, Finckel and Wu Han direct the LG Chamber Music School, which serves dozens of young musicians in Korea annually. Finckel is artist in residence at the State University of New York—Stony Brook as well. He studied with Els Hilger, Bernard Greenhouse, and Mstislav Rostropovich, and has been on the faculty at Juilliard since 2012.

Please do see original works for many different instruments and groupings (virtually all of the orchestral instruments, plus keyboard, accordion, txistu etc.). There are countless transcriptions of all kinds for cellists, and for cello with other instruments on the [Johnstone-Music](#) web page. General music and cello-based articles and biographies abound, plus directories of famous historical cellists, and many other historical and present-day items of interest...

DOWNLOADS - Many downloads on [Johnstone-Music](#) are now available, for those that are interested, free or at an almost *symbolic* payment, which is to help cover the costs of this web site. Some scores/parts are presented in musical edition programmes but generally they are found here in a most “clear” hand-written manuscript copy.

USE OF MATERIAL - As far as [Johnstone-Music](#) is concerned you are welcome to publicly perform or record any work or piece found in the web; you SHOULD, however, make a written mention of the name of the composer and the arranger on any printed information (hand programmes, disc covers etc.).

FREE PUBLICITY - If you care to inform us of any public performance (no matter how formal or informal the event is), recording or other uses of the original music or arrangements of David Johnstone or of other colleagues in this web, we are happy to give your free publicity on the [Johnstone-Music](#) web if you write in advance with any information.
